**TERMINAL DISCLAIMER**

Sir:

This Terminal Disclaimer is presented in response to the Office Action dated March 17, 2006 in the present application. The Chamberlain Group, Inc. ("Chamberlain"), the owner of one hundred percent (100%) interest in the instant application, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any Terminal Disclaimer, of prior U.S. Patent No. 6,624,605. As acknowledged in the March 17, 2006 Office Action, the Applicant previously established the common ownership of the instant application and U.S. Patent No. 6,624,605. A copy of the previously filed Assignment and Recordation Form Cover Sheet for U.S. Patent No. 6,624,605 is also attached hereto.

Chamberlain hereby agrees that any patent granted on the instant application shall be enforceable only for and during such period that said patent is commonly owned with U.S. Patent No. 6,624,605, the patent which formed the basis for a judicially created double patenting rejection in the instant application. This terminal disclaimer runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.
